- Proud of how the kids did at the Owasso contest; they now know where the show needs work. Goal of these early contests is to get Judges' feedback. Part 4 of contest will debut at Union contest.
- 76 students have not paid final amounts for the St. Louis and Indianapolis trips. A decision will have to be made in the upcoming few days about cancelling the trips, if that many kids cannot go.
- 30 kids are ineligible due to grades. Please be aware of your kids' grades and encourage them to catch up.
- Itinerary for St. Louis trip to be posted this weekend.
- There are no concert band trips scheduled for this Spring. The current plan is that there will be spring contests next year; but no trip to Grand Nationals.
