Pre-Band Rehearsals

Monday, July 24th – Friday, July 28th

Brass, Woodwinds, Battery, Front Ensemble, and Guard Rehearsals

Each day, a good portion of rehearsal will be out in the sun. Students should spend some time outside this summer so they will be used to and ready to handle the heat.

For this week - Outside rehearsals in the morning will be at the track & field or parking lot. The surface is grass/asphalt. Outside rehearsals in the evening will be at the stadium. Surface is turf. For safety reasons - students are not allowed to drive from football fields to music building during pre-band. Regardless of outside rehearsal location - students are to park at the music building and walk to different rehearsal areas.

For all rehearsals during pre-band, there are no jeans allowed – students must wear shorts. Proper footwear is tennis shoes – no sandals, flip flops, etc. Shoes should be tightly laced, not loose and only for decoration. Sunglasses and hats are recommended, as there will be times when students are facing the sun. Finally, every student should bring their own water for all outside rehearsals. You will need a large jug of water. A twelve-ounce bottle will not suffice. There is to be no sharing of water.

8:00 am – 12:00 pm

- Brass, Battery, and Woodwinds – two hours will be spent marching on the field and two hours spent in sectionals. Some sectionals will also be held outdoors as it is necessary to hear music in proper context.
- Front Ensemble – will be inside most of the time
- Guard – will rotate locations between Gym and stadium.
-

5:00 pm – 9:00 pm

- Brass, Battery, and Woodwinds – two hours will be spent marching inside working on contest music and stand tunes as a full group and then two hours on the field with marching.
- Front Ensemble – will be inside most of the time but begin to transition outside as fit/needed.
- Guard – will rotate locations between Gym and stadium.
