

## What am I supporting?

The Jenks Instrumental Music Department and the Jenks Trojan Pride has a long tradition of excellence. The Trojan Pride Marching Band, often the most visible part of the band program, is a coordinated event incorporating musical and visual elements from the brass, woodwinds, battery, the Front Ensemble (Pit), and Color Guard.

Your sponsorship not only supports and assists the competition program seen at halftime of football games; after marching season, these talented musicians transition into concert season. The concert season encompasses several groups including: Wind Symphony, Symphonic Band, Concert Band, Jazz Band, Basketball Pep Band and Winter Guard. As one of the premier band programs in the country – the Jenks Bands have performed as an honor group on three different occasions within the last decade, for both the Bands of America National Concert Band Festival and the State of Oklahoma Music Educators Convention. For the past 25 years, the Trojan Pride has been a recipient of the OSSAA Sweepstakes Award, the highest award presented to bands from the state of Oklahoma. Middle and High School students also have opportunities to participate in solo and ensemble competitions and honor bands at both the regional and state levels.

Your sponsorship impacts the entire band program in grades 6-12. These formable years provide the longest continual positive environment in public education. The Band program contributes to our student's relationships and memories gained through four, five, and six years experience through their intermediate, middle school, and high school band years. Students experience many 'life lessons' and learn self-discipline and responsibility; as well as gaining the sense of accomplishment and reward for their hard work. What greater opportunity to learn 'team-work', than with over 200 fellow team members.

The long-term relationships developed as a member of the Trojan Pride are kept long after their high school musical experience ends. Our band students become leading members of communities continuing and returning the positive influence they received as members of the Jenks Trojan Pride.

### **Jenks Band Parents Club "Mission Statement"**

*The mission of the Jenks Band Parents Club is to support the Jenks Public Schools' Band program, its directors and students, financially and through positive participation; thereby promoting a Tradition of Excellence with a Vision for Tomorrow.*
