

Jenks High School Trojan Pride

Drum Major Application

General Information

Thank you for your interest in being part of the Trojan Pride Student Leadership Team. Regardless of the outcome, we hope you will find the application process to be interesting and enriching. The application represents a standard method of the Jenks Band Program for selecting student leaders. If you have any questions about the process or your application, please do not hesitate to ask. Good luck and work hard to accurately represent yourself through the process.

Your candidacy will be judged of the following criteria:

1. Past performance.
2. Quality of your application.
3. Future leadership potential.
4. Best fit for the individual, team, and organization.

When completing the application, be thorough, complete, creative, and honest. Don't say what you think your directors might want to hear. Say what you really think. Leaders are people who can offer something new and different to the organization when needed. This application process is structured so that you can gain insights into yourself as a person, so be honest and thorough. You need to show the person that you truly are and what you aspire to be. Whether you are chosen to serve on the STL team is not the only point. Dig deep inside, answer the questions, and complete the service project with the intent of learning something new.

Applications must be completed and all elements turned in by Tuesday, April 26th, 4:15 PM. Be prompt and professional with your application. A submitted application does not guarantee an interview. An interview schedule will be available after the staff has had time to review submitted applications.

Please make sure that all elements are enclosed in one package and are clearly labeled with your name. Any elements of your application that you would like returned need to be clearly labeled as such. All applications must be typed or clearly legible. Failure to do so will result in the return of the application to the applicant.

I understand that if chosen, I will be held to a higher standard of behavior, performance, and work ethic than my peers. I will be willing to sacrifice so that others around me may succeed.
