

Dear Student/Parent,

The High School Band is preparing for the 2023 Marching Band Season. At this time, it is necessary to determine numbers to properly prepare for the next year's contest show and the Tournament of Roses® Parade. An accurate count enables us to begin the process of making reservations for travel and accommodations for trips as well as having all aspects of the contest show ready in a timely fashion.

Included is survey information about both enrolling in high school band and opting in for the Rose Parade. It should be noted that students can be in band next year and not travel to Pasadena. It should also be noted that the band will be traveling to a Regional BOA event this fall. Cost for the trip will be included in registration fees which are due in May. There will be no opt in/opt out for the BOA trip this year. Detailed information about the BOA trip will be made available on the band website.

Please read through all information carefully, fill out the appropriate pages, and return to Mr. Hillock (or Mrs. Cryer) by Friday, February 10th.

HIGH SCHOOL BAND ENROLLMENT SURVEY

By this time, most students should know what they are doing next year, but we realize that there may be a few students still in the process of making decisions. Below are three different options regarding high school band enrollment. We ask that you be truthful and fill out the form accurately so the Jenks Band Staff and Jenks Band Parent Organization can best be prepared for next year.

A Firm decision needs to be made BEFORE spring break)

☐ **Option 1. Opt In for Pasadena.**

I understand that by selecting this option that I am financially responsible and obligated to pay for the full amount of the trip. I recognize that each payment is critical for enabling the group to travel and I commit to making all payments on time as outlined in the schedule above.
